

Treo™ 650 SMARTPHONE

Smart email. Smarter phone.

The Palm® Treo™ 650 smartphone is the ideal mobile email expert. It combines easy-to-set-up, wireless email with a compact GSM/GPRS/EDGE world phone and a Palm OS® organiser.¹ Write messages fast with the thumb-friendly QWERTY keyboard. Send and receive email and SMS/MMS messages wirelessly. View email attachments, including photos and native Word, Excel and PowerPoint® files on the large hi-resolution colour screen. The Palm Treo 650 smartphone even supports GSM EDGE networks¹, a worldwide standard for high-speed wireless data communications, offering fast and secure access to email, the web and enterprise applications.

Stay connected with wireless email and messaging¹. Send and receive email from your existing account. Use built-in ActiveSync® for direct corporate email and calendar synchronising with Microsoft® Exchange® 2003. Exchange thoughts and ideas on the go with text and picture messaging. With the Palm® Treo™ 650 smartphone, you're always in touch with what's important to you.

Pick up a smarter phone. The Palm Treo 650 smartphone is a full-featured GSM/GPRS world phone. Carry thousands of business and personal phone numbers with you, and then dial any of them by name right from your Contacts list. The full QWERTY keyboard makes dialling and entering information easy.

Organise your entire world. With Calendar, Contacts, Tasks and Memos, the Treo 650 smartphone lets you organise your business and personal life – all in one place. Create and edit Word, Excel and PowerPoint®-compatible documents. Synchronise your calendar and contacts with Outlook² or Palm® Desktop.

Point. Shoot. Play. Optimised for multimedia, the Palm Treo 650 smartphone does it all. Use the built-in digital camera to snap pictures and capture video. Create digital photo/video albums and visualise them on the vibrant high-resolution colour screen. Take and play your favourite tunes by transferring MP3s from your desktop³.
